

3014
Use of School Property

The buildings and properties of the school district shall be available for community use under conditions prescribed and in accordance with the adopted policies of the Board of Education.

It is the desire of the Board that maximum use be made of the facilities under its jurisdiction for educational activities.

To extend the privilege of using these facilities, the Board will require compliance to regulations governing the use of school buildings and facilities. A fee for the use of school buildings and facilities by organizations not directly associated with the schools will be charged.

Organizations and individuals wishing to schedule use of school facilities will make application to the Activities Director.

Additional rules and regulations are to be developed by the Superintendent and/or his delegate, and duplicated in such manner that a copy is delivered to the lessee at the same time a contract is requested.
