Superintendent's Message

Summer has flown by and the 2015-2016 School Year is set to begin in just a few days. I am very excited about the upcoming school year and would like to encourage everyone in the community to become involved in the education of our youth. The collaborative effort of many will help make this school a great place for our children. As a district and community, we must demand excellence and be a progressive, forward-thinking district and community that strives to provide our students with an education that is second to none.

Many new faces will fill the halls, classrooms, and offices in this upcoming year. Those new faces will include students, staff, teachers, and administrators. We have compiled a great team and we must work hard to create an atmosphere in which everyone feels welcome to be a part of the "Bison Family." Together, we can make a difference each and every day.

To begin to incorporate meaningful cultural changes in the district, core values have been defined that will help develop a quality education for students. Each month, district-wide, our schools will focus on a key value, while keeping all of the values in mind. Those core values are: Students First, Integrity, Respect, Sense of Community, No Excuses, High Expectations, Accountability, and Bison Pride. These values encompass a wide range of qualities and with the beginning of each day we want our students and staff to strive for excellence.

Another major goal of the district will be communication. Communication will include internal communication to our staff along with external communication to the public and community. The community is an integral part of the success of the district and it is imperative that we communicate with the community. A lot of great things are happening and we need to work to recognize those students and staff that are going above and beyond to make this district a great district. In keeping up with the digital age, we will be communicating via a new district Facebook website and revamping our district website. Considerable information will be placed on these sites and to encourage everyone to seek digital forms of communication, our newsletters will only be sent quarterly in the future. We would like to encourage you to "Like" us on Facebook.

I look forward to the many new successes and accomplishments that our district will experience in the 2015-2016 School Year. As we move forward, we must all work together to provide our students with the very best educational experience. As a district, we have a lot to do and with each day we must put students first. Students are the key to the success of this community, region, state, and nation and they deserve to have the very best quality educational opportunities to help shape their future and ultimately, our future. I hope that everyone enjoys his or her last few days of summer! Go Bison!!!

Elementary Parents & Students,

I am excited to welcome you to the 2015-2016 school year! It's going to be a great year for Central City Elementary Students and I look forward to being a part of your educational journey! You will see some new faces in the elementary building this year. The elementary building will welcome five new staff members: Josey Nunnenkamp (3rd Grade), Carrie Jaixen (3rd Grade), Nancy Mosier (Special Education), Maureen McIlhiney (Special Education Director), and Brittany McWhirter (Speech Pathologist). A big welcome goes out to these new staff members.

I would also like to remind you at this time that the elementary school day has changed and classes will begin at 8:00 am and end at 3:25 pm. Please make sure your students are at the elementary building by 7:55 am each morning to go up with their class. The doors to the elementary school will open at 7:35 am and breakfast will begin at that time. Supervision will begin at 7:35 am. If your child rides the bus, your pick up time may have changed as well.

Please note that the elementary open house is scheduled for August 12th. Class lists will also be posted on the front doors of the elementary building on August 1st. The start of the school year is such an exciting time for all – students, teachers, parents, etc. It is a great time to establish good routines for rest and study habits that will last throughout the school year. These routines will help make the transition to school a smooth one. I look forward to seeing you all at the open house. It is going to be a great year to be a BISON!!!

Mrs. Moser,
Elementary Principal

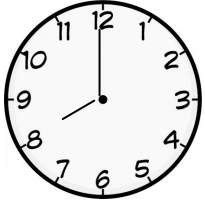

Middle School Parents and Students,

Welcome to the 2015-2016 school year! Watching the fireflies dance in the fields, hearing locust in the trees, seeing storms roll in on the plains, and watching the beautiful summer sunsets; these are just a few of the reasons I love summer. Although summer is my favorite season I could not be more excited to start the school year! My name is Mrs. Holee Hanke and I will be your new middle school principal. My husband, two boys, and I farm just ten miles west of Central City. I have been in education for seventeen years, fourteen of which was in math and counseling at the middle level. Although I already knew some of you, I really appreciate how many of you have introduced yourselves and have been so welcoming to my family. To those I have yet to meet, I look forward to meeting you.

We have a few new staff members this year: Ashley Harrison (FCS), Kenneth Newcomb (7/8 Math), Skyler Jenkins (7/8 Language Arts), and Ross Hilkemann (7/8 Social Studies). During the summer I have had the opportunity to work with the staff. Through our summer work we have come up with creative ways to increase student achievement and rigor for the school year. I am very excited for the future of our students and the district; and am impressed with the growth mindset of our teachers and staff. I look forward to seeing the affects of that hard work on our students'success.

Remember orientation is Wednesday, August 12th, at 4:00; and open house is Thursday, August 20th, at 6:30. Enjoy your last few days of summer. I look forward to seeing you all in a few short weeks.

Mrs. Hanke,
Middle School Principal

Central City Middle School Orientation August 12

An orientation for all 5th grade students and any 5th through 8th grade students that are new to our school district will be held on Wednesday, August 12, in the commons area of the Central City Middle School. Middle School Principal Mrs. Hanke and Peer Helpers will be on hand to help answer questions and give tours. Schedules and locker assignments will be handed out for those who have pre-registered. Please feel free to bring school supplies at this time.

Fifth grade students whose last names start with the letters A-G should come at 4:00 p.m.; those whose last names start with H-R should come at 4:20 p.m.; and those whose last names start with S-Z should come at 4:40 p.m.

Any 6th, 7th, or 8th grade student that is new to the school district should come at 4:40 p.m. All new students need to contact the Middle School Office about completing enrollment forms well before August 12. For further information, call 308-946-3056 or 308-946-3055.

CENTRAL CITY HIGH SCHOOL NEW STUDENT AND PARENT ORIENTATION

Central City High School has scheduled an orientation for **all Grade 9 students, new students to the high school and their parents** on Monday, August 10th at 6:00 p.m. in the Performing Arts Center. We request that at least one parent attend the orientation in order for their son or daughter and parents gain valuable information that will assist in making the high school experience a successful one.

Students who are new to the District should register in the high school office with their parents ahead of time. If you have any questions, please contact the High School Office at 308-946-3086.

From the High School Principal's Desk

The month of August is about new beginnings and the start to yet a new school year. I always look forward to the new school year with new faces and an opportunity to make positive improvements. Speaking of change, we have hired several quality new staff members :

Teachers

Mrs. Kaitlin Herstedt	Special Education
Ms. Ashley Harrison	Family Consumer Science
Mr. Reuben Burbach	Full-time Substitute Teacher
Ms. Jordanne Speer	Paraprofessional

Succeeding in High School

After being in the business of education for twenty-six years, it is evident that there is no magic to helping teenagers be successful in high school. However, there are several key fundamental strategies that will significantly improve every teenager's ability to learn and get the most out of high school.

First and foremost, students must be in attendance; students learn by doing and participating in the learning activities facilitated by teachers. *Nebraska State Statute 79-201 (Compulsory Attendance Law)*

Teenagers need their sleep. According to the National Sleep Foundation, sleep is like food for the brain and teenagers need between 8 ½ to 9 ½ hours of sleep daily. Teenagers who get the required amount of sleep will do better in school, are more likely improve their listening and focusing skills, are able to solve problems better, and their behavior is more likely to be positive.

Students must do their homework, assignments, projects etc. on time. When students earn zero credit for an assignment, their grades suffer significantly.

Students need to be organized. When students use their daily planner, keep their lockers, notebooks, and assignments organized, they are more likely to earn higher grades.

Every student needs to be involved in at least one extra-curricular activity. When students are involved in extra-curricular activities, they perform better in the classroom. Many experts have provided evidence that demonstrates students do better academically and socially when they are involved in extra-curricular activities. However, there is also evidence that some students' academic achievement declines if they are involved in too many extra-curricular activities.

Needed Information and Required Documents

At the beginning of the school year, the school has a number of procedures we must do in order for us to operate efficiently. State and federal public school laws require the school to have several pertinent documents filled out by parents and students. The required forms that students and parents need to fill out completely are located in the back of the student's handbook. The following items need to be turned into the high school office by Friday, August 21, 2015 in order for students to have computer access:

Student Receipt Handbook Signature Page

Disclosure of Student Recruiting Information

Computer System Access Agreement

Annual Student Update Request Form

Car Registration Form

Mandatory Random Drug Testing Release Form (Due the first day of fall activities practice or 1st day of school)

Pay to Play fees

Class Dues

Activity Waivers

I am looking forward to working with students and staff in the upcoming year, we will continue to make the year educationally challenging and productive. If you ever have any questions or concerns, please give me a call or stop by the office.

Principally Speaking,

Mr. Shawn McDiffett
High School Principal

Dear Parent/Guardian:

Welcome back to school. To start off the new school year, we will be having a Bar-B-Q. This is new this year. Traditionally, we have grilled in the spring at only the middle and high schools but this will be for all three schools. I hope everyone will join us for this special event.

This is the first time in three years there are no new USDA guidelines for the school breakfast and/or lunch programs. I am excited about the many new products manufacturers have developed. Unlike some of the products introduced three years ago, these taste good as the food companies have had time to perfect their products. If you have not eaten breakfast or lunch with us before or it has been a while, please give us a try. We would love to have you eat with us. Parents and grandparents are always welcome. Just let the office know before 9:00 a.m. of the day you will be joining us.

Due to the Avian Flu, there may be changes to the published menu as we go through the school year. Many of our food items are made from poultry because they are usually lower in fat than beef and pork. It is too early to know how long the existing supplies of poultry products will last before new birds become mature. I am already receiving notification concerning the availability of some items.

Lastly, I would like to urge everyone to fill out the Free or Reduced Lunch application form even if you do not think you will qualify. Our schools are eligible for many grants and other programs if at least 50% or more of the enrolled students receive free or reduced meals. Last year, the elementary school had 49.5%. We missed qualifying for an equipment grant by .5%! The middle and high schools were not nearly as close.

I hope to see you eating breakfast or lunch with us this year.

Sincerely,

Lynette Weller, RD

Food Service Manager

Central City Public Schools will still utilize a point of sale system (POS) through the lunch line. Shown on the reverse of this letter is an updated CCPS Family Lunch Account Usage Form. You will note the software requires you, as the parent/guardian, to designate how you wish to appropriate your lunch deposit if you have multiple students on your account. For example, if you send payment for \$100 for your account, and have designated 60% for the High School Student and 40% for the Elementary Student, \$60 will be in the High Student's account, and \$40 in the Elementary Student's account. If you designate no % amounts on your form, then the student accounts will be credited equally.

We are not able to transfer funds from one student account to another. When one student has a low balance, a deposit will need to be made for that individual student's account. If, at any time, you wish to change how you have chosen to split your deposits, please contact the Superintendent's office.

Now is a good time to start sending in payments to get your family lunch account ready to go. The Central City Public Schools lunch program will not extend credit to families for purchase of meals or a la carte food items. Remember: Your lunch account is a debit system. Money must be in the office no later than 10:00 a.m. Please allow one (1) day for processing of money into your lunch account.

When a student reaches a -\$10.00 balance in their lunch account (or -\$2.00 reduced meals), the student will no longer be allowed to charge. A peanut butter sandwich and milk will be served. Students in the middle and high school will not be allowed to charge a la carte items once they reach a negative balance in their account. Parents can view student lunch accounts on Infinite Campus.

Prices for the 2015-2016 school year are as follows:
