Tired of staring at the same dreary four walls of your classroom? Well, now is your chance to do something about it! Tuesday, January 24th will mark the 100th day of school. On that day, you will be given a chance to nominate any High School classroom for a makeover that will include new artwork, organization, and other materials to spruce up the room. The classroom that is selected will be transformed during the weekend of March 2nd...just in time for a fresh start to the 4th quarter! A nomination will include the teacher's name and the reason they deserve (or need) a classroom makeover. Teachers may nominate themselves or another teacher. The selection will be made based on the number of votes and on the reasons given for needing a makeover. May the best nomination win.

Congratulations to Emily Kleve and Dylan Moellenberndt for receiving superior awards for their pieces at the HamMer meet.

Attention students: Grab your friends and family and come eat at Dairy Queen tomorrow night between 5 & 8pm to help the Central City DECA Chapter support the Muscular Dystrophy Association. Dairy Queen is donating a portion of the proceeds to DECA to donate to MDA.
