

BISON BANNER

<http://www.centralcityschoolsne.org>

SUPERINTENDENT'S MESSAGE

Three quarters of school is in the books, and the final quarter of school is upon us. The fourth quarter brings with it better weather, field trips, testing, and culminates with graduation. As the school year presses through the final quarter, it is important that students strive to finish strong and better themselves with each day.

Hopefully, many of you were able to attend this year's musical, *Footloose*, directed by Dane Christensen. The annual musical is unique to Central City Public Schools and is an impressive display of our talented students and the community support of the fine arts. The talent that exists here is simply amazing, and Mr. Christensen does an excellent job of getting the very best out of that talent. Every time I step into the Performing Arts Center, I cannot help but think about the remarkable facility our district has to showcase our talent.

Our district has continued our tradition of excellence in creating tremendous science fair projects. At the recent Central Nebraska Regional Science Fair in Hastings, Central City qualified five individuals for the state competition. These five students will have the opportunity to qualify for the National Science Fair Competition. Mrs. Chelle Gillan works a tremendous number of hours with our young people preparing them for these showcase events.

A big acknowledgement should also go out to Ms. Stephanie Shearer and her leadership with the Speech Program. Ten students recently qualified for the State Speech Meet with both Oral Interpretation of Drama teams qualifying. Countless hours have gone into preparing our students, over the past few months, for their speech competitions this season.

Many great accomplishments are taking place on a daily basis in our district. We are blessed to have many very talented students that work hard and make a commitment to their future. We are also blessed to have great family and community support. Thank you for entrusting us in the development of the youth in this community. Go Bison!!!

*Jeff Jensen,
Superintendent*

Looking Beyond the Numbers

Having a love for math, I enjoyed the movie *Hidden Figures*. In the movie, the computers (math calculators) are going to be replaced with computers. Because the computer can calculate so much faster, the women in the movie had to respond by applying their knowledge and problem solving skills to other areas. The point of me bringing this up is that math is all about problem solving and critical thinking, more than it is about memorizing a method to find X. The future our kids will be living in will evolve exponentially and they have to be prepared for the challenge that continuous change will bring to them and the workforce.

This year the teachers at Central City Public Schools have been taking a strong look at our math program and the future for our kids. We want to equip our students with the skills to become successful in whatever career they pursue. We want our students to become problem solvers that can view problems from multiple angles and perspectives. They will also be in a workforce that values collaboration and teamwork. In previous articles, I have talked about a growth mindset, character that fosters understanding for one another, and perseverance. All of this points us to a math program that can prepare our students for the future demands that will be placed on them. What this means for you and your child is that the classroom will look different than it did for you and that math will be closely related real world problem, with a strong emphasis on critical thinking, problem solving, and multiple ways of solving problems.

As we decide on a program that meets the above expectations and needs, it might mean that there will be a period of adjustment. This adjustment should be met with perseverance and a growth mindset. What I know is that our students deserve it and we have amazing teachers who can help make things happen for our children. Thank you for sharing your kids with us!

Holee Hanke, Middle School Principal

6th Grade Math Fun

The students had brought containers of various sizes (cereal boxes etc) then we measured and computed surface area and volume. A great hands-on activity.

The Central City Elementary School will be having Kindergarten Registration Thursday, April 6, 2017, from 6:15-7:15 p.m. in the elementary commons area. **This will be for parents only.** You will need to bring a copy of the certified birth certificate, immunization record and Social Security number of the child being registered. For parents who cannot attend the evening session, you may register in the office from 9:00-3:00 pm, Friday, April 7th, 2017.

Attention Merrick County District Residents!

Do you have a child that will be ready for kindergarten in August? If so and you are new to Central City, please fill out the form below. Do you have a new neighbor? Do you have an addition to your family? Has your household increased or decreased in any way? Are you new in the district? These are questions that need answers so that the Central City school district census can be updated. Each year the total of all children in the district, birth to age 18 as of June 30, is included in a report to the Nebraska Department of Education. Information required for children is full name, date of birth, and place of birth, sex, parents name and address, phone number, and county of residence. All people living in Central City, Archer, Chapman, and country homes in the school district are included in the school census. If you have any information at all that may be helpful in the updating process, please call the superintendent's office at 308-946-3055, or mail the information to Superintendent's Office, PO Box 57, Central City, NE 68826. Your help in obtaining this information would be greatly appreciated!

CENTRAL CITY PUBLIC SCHOOLS CENSUS INFORMATION

The Central City Public Schools is required to conduct a census of all persons living in our district.

If you are new to Central City, please fill out this form and mail to Central City Public Schools, PO Box 57, Central City, NE 68826 or email LSENKBILE@CENTRALCITYPS.ORG. Please list all persons living in household.

Central City Public Schools will educate, challenge and prepare students with lifelong skills for the world around them.

Successful 2nd Annual DECA Interview Night

By Colton Drage

On Tuesday, February 28th, there was a night of mock interviews held in Central City High School. Nine DECA members and nine interviews, volunteers from the community, went head to head for two rounds of mock interviews, each about 25 minutes long. One of the interviewers was Nathan Perry, President of Pinnacle Bank. He said, "It is a great experience for the kids to get a couple of interviews under their belts. Any tips they can pick up now will be helpful for them in the future." One of the DECA members from CCHS, Ethan Nelson, says he gained experience from the interviews. He believes DECA Interview Night will set him apart from other applicants for jobs and other positions in the future.

ACT for Juniors

Please note that **Juniors in Nebraska** will be taking the ACT for free during school hours this spring. This is a wonderful opportunity for Juniors who hope to go onto a community college or four year college in the future. The ACT will replace the NeSA Test for the Juniors across the state.

Juniors at CCHS will take the ACT at CCHS on Tuesday, April 25th. If a Junior does not test on April 25th, the student will be required to make-up the test on another school day. Juniors who wish to, can also take the Saturday April 8th ACT.

All ACT Tests are somewhat different from each other. Colleges suggest that college-bound students take the ACT/SAT three to four times before second semester of their senior year for admission and scholarship purposes. Our teachers are currently working with our juniors to prepare them to take the ACT.

Students, their parents, and employees of the Central City Public School District No. 4 are hereby notified that this school district does not discriminate on the basis of sex, national origin, handicap, or race and is required by Title IX, Section 504 and Title VI not to discriminate on the basis of sex or handicap in admission or access to, or treatment or employment in its programs and activities. Any person having inquiries concerning Central City Public School District No. 4's compliance with Title IX and Section 504 and Title VI is directed to contact: Central City Middle School Principal, Phone: (308) 946-3056, who has been designated by Central City Public School District No. 4 to coordinate the school district's efforts to comply with Title IX, Section 504, and Title VI. Reference – Board of Education Policy 103 R3.

CCHS Hall of Fame Nomination Announcement

If you would like to nominate an athlete or coach you will need to fill out the nomination form below. The athlete must have graduated from CCHS on or before 2011 (5 years out). Athletic contributions can be on the high school, college, or national level.

If you would like to write a letter of support for any candidate- please send the form to Justin Anderson. Please confine these letters of support to their athletic contributions. All letters must be received by April 16, 2017.

All announcements on selections will be made through the CCHS Activities Director's Office in May or June.

Nomination Form

Name _____

Coach or Athlete _____

Graduation year of athlete _____

Coaches-years coaching at CCHS _____

Please give any information about the athlete or coach that will be helpful to the committee in making its selections. Information may include character, leadership, statistics, and any individual athletic awards on the local, state, or national level.

Signature of nominator _____

CCPS Core Values

**Students First, Integrity, Respect, Sense of Community,
No Excuses, High Expectations, Accountability, Bison Pride**

It's a bird! It's a plane! No, it's Superman (or Woman)!!

Children of all ages were treated to a night of Superhero stories and activities (led by our awesome staff!) the evening of February 28th, 2017 at the elementary school. Over 150 children (400+ counting parents and staff) attended the school's annual Family Literacy Night, which included stories like "Superhero School", "Real Heroes Don't Wear Capes", "Just a Daydream", and "Incredible Me!" Students could show how they were incredible, make a "superpower" bracelet, a mask, or a puppet. They also had an opportunity to show their superpowers in a Superhero themed photo booth (created by our own PTO!).

Our superb high school Advanced Leadership class (led by Mr. Reub Burbach) also showcased their superpowers by mingling with the students throughout the evening. So thankful for these role models! Our PTO did a fantastic job decorating for the event, as well as organizing items for a raffle. One boy and one girl from each grade level were the recipients of these items. Special thanks to the donors: Jim's Foods, Pizza Hut, Dairy Queen, True Value, City of Central City Aquatic Center, Widman Cinema, Carlos O'Kelly's, Westside Lanes, and our own PTO! A very special thank you to our elementary teachers and staff who worked very hard to make this event a success!!

CCHS Sophomores Tour Colleges

Through the support of the Education Quest Foundation College Access Grant, Central City High School arranged for our 10th grade students to tour Central Community College in Hastings and the University of Nebraska in Kearney on February 28th. It turned out to be a worthwhile experience for the students and should help them to think more about their opportunities after high school.

Our group arrived at Central Community College in Hastings in the morning. We were given a large group presentation about the college. We completed a walking tour that showcased a number of their popular programs of study. We then went to the University of Nebraska in Kearney. There the students ate lunch at the Memorial Student Union cafeteria. We were treated to information about UNK from their admissions personnel and a panel discussion by current UNK students. We toured the campus with UNK student representatives. While visiting there, we were able to have some fun visiting with a number of current UNK students who had recently graduated from CCHS! CCHS Alumni Katie Benner even greeted us with a short presentation for Admissions!

The students and adults alike seemed pleased with the experience. We would like to take this opportunity to thank the officials and students of Central Community College and the University of Nebraska in Kearney for their wonderful hospitality. We would especially like to thank the adults who came along to enjoy the day and supervise our students. Our sponsors for the trip were Matt Shrader and Jessie Flodman. The trip was organized and supervised by Counselor Debra Anderson.

Juniors visit UNL and SCC

Our group of forty-eight toured Southeast Community College and the University of Nebraska in Lincoln on March 1st. The tours were a free service provided through Education Quest and our College Access Grant and were supervised and organized by Counselor Debra Anderson.

The Juniors were first greeted by a nice welcome at Southeast Community College. They then toured some of the departments and were treated with a beverage. We next went to the University of Nebraska in Lincoln and enjoyed lunch in the college cafeteria. We were greeted with a warm welcome and informed about the education one can receive from the university. Our students walked all around campus and heard about campus highlights from our student tour guides.

Overall our students really enjoyed getting a taste of campus life, being able to walk through the various buildings, and interacting with current college students. We were entertained by some friendly squirrels plus we were greeted by some past CCHS graduates. Many thanks go out to the personnel and students at Southeast Community College and the University of Nebraska in Lincoln, and also to Dane Christensen, Tina Morris, Amy and Corey Franzen for sponsoring the tour!

Bison Weight Room Calendar

It's that time of year again. Time to plan your summer around the Off-Season Workouts. As we know this is the opportunity to improve upon your physical gains for the 2017 – 2018 seasons. You'll find below the schedule for the High School Weight Room. As always you should be shooting for 90% attendance which is making 36 days this summer. There is so much more than strength, speed, agility that you will gain in attending these workouts. This is the opportunity to bond with your teammates through commitment and hard work, sacrifice and sweat. Relying on one another to get you through the hard days, pick you up mentally when you don't feel you can do it. Those are the things that are irreplaceable. We always have a goal for 90% of attendees to make the 90% goal. So if you have any questions please contact us through phone 308-940-0490 or email rburbach@centralcityps.org. And we will see you this summer.
