

CENTRAL CITY BOARD OF EDUCATION

“BOARD RETREAT & PLANNING SESSION”
JUNE 27th, 2016 @ 6pm

DISTRICT GOALS 2016-2017

Board/District Goals

Immediate:

1. Provide leadership opportunities for students and staff.
2. Continue focus on community, family, “branding”, and the “Bison Way.”
3. Begin to make transitions for a Career Pathway Initiative to include discussion regarding middle school curriculum exposure, molding courses into Career Academies, taking a look at graduation requirements, and scheduling.

Priority Goals:

1. Develop a positive school culture that promotes student excellence in academics, athletics, and in activities through a district wide approach of data analysis, transitions, curriculum items, and student services.
2. Continue to raise test scores in all curricular areas.
3. Research and analyze the Career Pathway Initiative by:
 - a. Defining the academic focus
 - b. Expanding current construction initiative
 - c. Expanding Dual Credit opportunities
 - d. Developing links with local and regional businesses
4. Conduct a facility needs assessment study that analyzes current facilities, looks at future needs, and evaluates current district grade structure.

Long-term Goals:

1. Implement a career pathways institute that expands student-learning opportunities in career fields that promote economic development in the region and supports community needs.
2. Develop a long-term plan for facilities that explore district needs, the future of education, and looks progressively at student needs.
