The PTO is looking for volunteers to be a reading buddy to an elementary student for the summer reading program. Volunteers would meet their buddy from 2-3 on Wednesdays at the library. Volunteers will help select books, read the book with the student, and help fill out book reports (there is a form for this and it is easy) with the student. If this is something that interests you and as good way to earn volunteer hours please contact Lynelle Homolka 946-5049 or Amy Stuart 946-5323 for more information.

Check out sheets will be available Friday morning in the office. Remember to turn in your vehicle tag when you check out on Friday.

Please see Counselor Anderson in the next few days if you need to make any changes to your class schedule before next year. There will not be an Advanced Personal Development Class next year.
