

BISON BANNER

<http://www.centralcityschoolsne.org>

SUPERINTENDENT'S MESSAGE

Once again, another summer has come and nearly gone. The 2017-2018 school year is just about upon us and the first school bells are scheduled to ring soon. With every summer, a considerable amount of planning and preparation takes place for the upcoming school year. I would like to applaud our district for continuously looking for ways to improve, motivate, and provide the very best education and opportunities for our students. As a district and community, we must demand excellence and be a progressive, forward-thinking district and community that strives to provide our students with an education that is second to none.

With each year, new faces fill the hallways and classrooms. Five new elementary teachers, three new middle school teachers, and a new Math teacher in the high school have made the commitment to being a part of the "Bison Family". We are very excited about the diversity that our new staff members will bring to the district. These individuals are highly qualified and bring a variety of experiences to our district. Along with the new faces in the classroom, the district has hired our own School Psychologist to take more ownership in our programs and to continuously improve the services that are provided to our students. We have also hired a new School Counselor that will be shared between the middle school and elementary. The district leadership is unchanged for the 2017-2018 school year for the third straight year, and the district will continue to be able to move forward with consistency and stability.

As students left the building for the summer, custodians and other personnel were busy upgrading our exceptional facilities. A considerable amount of painting has been done throughout our buildings to create a cleaner more polished look. The entire elementary has had the latest Promethean Panels installed in classrooms to continue to upgrade technology and improve teacher and student use of technology in the classroom. Additional laptop carts were purchased to continue to meet the student-use demands. A bus barn has been constructed on campus to protect the expensive investment of school transportation. Upgrades were also made to doors, the intercom system, and additional cameras were added.

To continue to focus on school culture, we will again emphasize the core values that make up a quality education. Each month, district-wide, our schools will focus on a key value, while keeping all of the values in mind. Those core values are: Students First, Integrity, Respect, Sense of Community, No Excuses, High Expectations, Accountability, and Bison Pride. These values encompass a wide range of qualities that will continue to help improve the overall educational experience of our students.

In the fall, with the official release of NeSA results and the State of the Schools Report, we will share with the community great improvements in district test scores and classroom achievement. The district has continued to make improvements in reading, math, and science with the dedicated efforts of students and teachers. During the 2017-2018 school year, the ACT test will once again be a Nebraska Department of Education (NDE) requirement for all juniors and NDE will be utilizing a new vendor for state testing requirements of our third through eighth grade students.

I hope that everyone is looking to this new school year with great excitement and energy. As a district, we have a lot to do and with each day we must put students first with the decisions that we make today and into the future. Please take the time to enjoy your last few days of summer, and I hope that the school and community continue to work together to provide our children with the very best possible education. Go Bison!!!

Jeff Jensen	Shawn McDiffett	Holee Hanke	Neely Moser	Maureen McElhinny	Justin Anderson
Superintendent	HS Principal	MS Principal	Elem Principal	SPED Director	Activities Director

From the Desk of the High School Principal:

I am hopeful that everyone's summer was rejuvenating and restful for our families in preparation for another great school year. As I approach my 29th year in education, I continue to cherish the opportunity to work with students and staff in an effort to make a difference every day. With the first day of school rapidly approaching, it is important that parents and students take an opportunity to read the information included in this newsletter and plan for what will surely be another exciting year at Central City High School.

New High School Staff Members:

Ms. Allyssa Schroeder

Geometry and Transitional Math, Dance sponsor

Mrs. Shinn

Special Education, Community-Based-Instruction

On behalf of the Central City HS faculty and staff, I would like to welcome the nearly 200 new and returning students. Central City High School has earned a reputation of academic excellence through hard work by our students, teachers, parents, and staff. The mission of Central City Public Schools is to educate, challenge and prepare students with lifelong skills for the world around them. Central City High School offers a safe learning environment that promotes intellectual growth, health, creativity and respect for self and others. We are proud of the accomplishments of our school and are excited to share our Bison Pride in the upcoming school year.

We are always looking to improve class offerings for the students. This year we have added the following classes to provide additional opportunities for CCHS students.

Advanced Nutrition

Anatomy and Physiology

Environmental Science

TE 100, Teaching in a Democratic Society (Dual Credit Class through UNK)

Athletic Training

Show Choir and Jazz Band will be offered as Zero Period

Microsoft Office Certification--Students who have successfully taken Information Technology and are proficient in Microsoft Office can take the certification on-line testing and earn college credits through CCC. (Students can see Mrs. Anderson or Mrs. Gavers for details)

Community Service and Job Shadowing Requirements

Also, all high school students are required to do Community Service and Job Shadowing. We have prorated the hours for the students in an effort to make the graduation requirements doable.

Class	Community Service (hrs.)	Job Shadowing (hrs.)
2018	5	3
2019	10	6
2020	15	6
2021	20	6

Also, the CCHS Student Handbook will no longer be printed; it will be on-line and can be accessed from the district's webpage. Parents and students will need to complete the signature pages on-line by going to our web page and completing the final forms document. We will provide students and parents with additional information within the first couple of weeks of school.

9th Period and Homework Hour Results from 2016-17

This year will be our second year for 9th Period and Homework Hour. The programs continue to help us raise the bar and help students succeed in high school. We strongly feel that 9th Period and Homework Hour have contributed to our success in helping students become more accountable for completing their homework, increased number of students on Honor Roll, decreased number of students failing classes and fewer office referrals.

9th Grade and New Student Orientation will be 7:00 pm in the P.A.C. on Monday, August 15. Students and their parents will have an opportunity to hear about the high school experience and about important information to help make the transition to CCHS smooth and hopefully seamless.

Principally Speaking

Shawn McDiffett

HIGH SCHOOL STUDENT INFORMATION FOR FIRST DAY OF SCHOOL

Please note that classes begin on **Wednesday, August 16, the most important day of the year!** Buses will run their normal time in the morning and at 1:30 pm. Below are the times specific groups of students need to report on the first day of school:

9th Graders and any New student to CCHS 8:00-11:00 am

General Assembly in PAC
Shortened class schedule
School Pictures
Review Student Handbook
Facility Tour
Appropriate Computer Use
Logging into the network and Infinite Campus
9th Period & Homework Hour
1:00-3:00 Fall Athletic Pictures

10th-12th Graders: 11:00-1:00

General Assembly in PAC
Review Student Handbook
Class Meetings w/ Sponsors
School Pictures
9th Period & Homework Hour
1:00-3:00 Fall Athletic Pictures (Grades 9-12)

First full day of school: Thursday, August 17 from 8:00 am to 3:38 pm.

Second Semester Data to support 9th Period and HWH (Homework Hour):

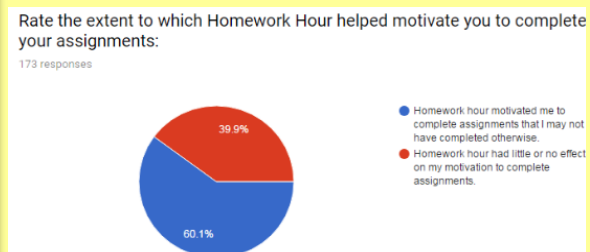

The data graphs below support our efforts in implementing 9th Period and HWH. Not only did the number of students who failed classes decline, but the total percent of Honor Roll students increased and the Behavior Referrals declined. During the last 14 years, we have attempted numerous programs to impact student achievement and none of the programs had a significant impact like the 9th Period and HWH. The program's success is dependent on the cooperation and efforts of the staff, students and parents. Note: First semester

The following data was provided from an anonymous survey given to high school students at the end of the school year. (May, 2017)

9th Period Comments from the Students:

I like that we have 9th period study hall because it helped me get my homework done
I like 9th period because I don't have a study hall and it gives me time to be able to work on homework
I liked it because of the access to all teachers.
It was great to take the time and work on assignments or take quizzes from when you were gone for activities.

Homework Hour Comments from the Students:

I think homework hour went well because it helped me realize that I should get my homework done on time
Homework hour has kept many people accountable to get their work done.
I usually get my stuff done, but I could tell that this program helped students complete their homework that they would have otherwise never had done.

Homework hour held some of the students that struggle to get their assignments done. I like the homeroom homework hour competitions.

I think homework hour went really well for some students. I personally don't need it, but there are many kids that this is the only way that they are able to stay on top of their grades which they should be very thankful for.

Central City Public Schools will educate, challenge and prepare students with lifelong skills for the world around them.

Middle School Parents and Students,

Welcome to the 2017-2018 school year! I hope you have taken the time to enjoy the warm summer evenings as the cool fall air will soon begin to make a comeback. The days are getting shorter, which means getting back to school, and the excitement of the first day and the start of fall sports. I love the changing of the seasons and here in Nebraska we have the privilege of seeing all four seasons to the fullest.

For next year we will have few changes and none as drastic as our Nebraska seasons. The ones you might notice will occur in math and the physical education/music period. Every year our students are given the opportunity to suggest some changes to the school. One of their requests was that they would like to try all girl and all boy classes for physical education and music. Both teachers were willing to give a try so next year in the 7th and 8th grades we will have all boy and all girl PE and music classes. In math we are very excited to have resources that match the state's college and career ready standards. This will mean that our students will have a balanced program that enhances critical thinking, problem solving, and real world application. What will be not change is our dedication to great teaching and learning for our kids.

Finally, we will have a few new staff members this year: Haley Boston (7/8 Math), McKenna Reed (5/6 Special Education), Heather Negus (Grade 5) and Tyson Greenwalt (counselor). For this coming school year, I think we have a great staff in front of your children and I am very honored and excited to see the great things that will happen for our students. Teachers have been in this summer learning additional strategies to increase student engagement besides getting familiar with the new math resources. I look forward to seeing the affects of that hard work on our students' success.

Remember open house is Tuesday, August 15th. This is for all student 5th through 8th graders. Students will be able to pick up their schedules, see their classrooms, and talk to teachers. Mr Greenwalt and myself will be go over additional information about the school year at 4:00 and again at 4:45. Enjoy your last few days of summer. I look forward to seeing you all in a few short weeks.

Mrs. Hanke

Elementary Parents & Students,

I am excited to welcome you to the 2017-2018 school year! It's going to be a great year for Central City Elementary students and I look forward to being a part of your educational journey! You will see some new faces in the elementary building this year. The elementary building will welcome six new staff members: Sara Huebert (1st Grade), BJ Blasé (2nd Grade), Carissa Gutz (2nd Grade), Abby Schoch (3rd Grade), Delite Weinman (4th Grade), and Tyson Greenwalt (counselor). A big welcome goes out to these new staff members.

I would also like to remind you at this time that the elementary school day begins at 8:00 am and ends at 3:25 pm. Please make sure your students are at the elementary building by 7:55 am each morning to go up with their class. The doors to the elementary school will open at 7:35 am and breakfast will begin at that time. Supervision will begin at 7:35 am.

Please note that the elementary open house is scheduled for August 15th. Class lists for grades 1-4 will also be posted on the front doors of the elementary building on August 1st. Kindergarten lists will be posted after Project Kindergarten. The start of the school year is such an exciting time for all – students, teachers, parents, etc. Starting now is a great time to establish good routines for rest and study habits that will last throughout the school year. These routines will help make the transition to school a smooth one. I look forward to seeing you all at the open house. It is going to be a great year to be a BISON!!!

Mrs. Moser

Elementary Open House for grades 1-4 – August 15th
5:30-7:30 pm

1st Grade: 5:30-6:00

2nd Grade: 6:00-6:30

3rd Grade: 6:30-7:00

4th Grade: 7:00-7:30

Elementary School Day

8:00 am - 3:25 pm - Tardy bell will ring at 8:00 am

Elementary Doors Open at 7:35 am

Elementary Open House for Grades 1-4 on August 15th 5:30-7:30 pm

First Day of School for grades 1-4 - August 16th, 1:15 dismissal

First Day of Kindergarten - August 22nd

First Day of Pre-school-August 24th

CENTRAL CITY MIDDLE SCHOOL

OPEN HOUSE

AUGUST 15, 2017

CCMS will be having an open house for ALL students for the 2017-18 school year. You can bring your school supplies and get moved in to your locker at this time. Teachers will also be here to meet you before the first day.

Grades 5 & 6 arrive at 4:00 and Grades 7 & 8 arrive at 4:45 and Mrs. Hanke will briefly visit about the new year. If you can't come at the time scheduled, please feel free to come to the other time listed.

CCPS Core Values

**Students First, Integrity, Respect, Sense of Community,
No Excuses, High Expectations, Accountability, Bison Pride**

Breakfast & Lunch Information

Central City Public Schools will continue to utilize a point of sale system (POS) through the lunch line. You will note the software requires you, as the parent/guardian, to designate how you wish to appropriate your lunch deposit if you have multiple students on your account. For example, if you send payment for \$100 for your account, and have designated 60% for the High School Student and 40% for the Elementary Student, \$60 will be in the High Student's account, and \$40 in the Elementary Student's account. If you designate no % amounts on your form, then the student accounts will be credited equally.

We are not able to transfer funds from one student account to another. When one student has a low balance, a deposit will need to be made for that individual student's account. If, at any time, you wish to change how you have chosen to split your deposits, please contact the Superintendent's office.

Now is a good time to start sending in payments to get your family lunch account ready to go. The Central City Public Schools lunch program will not extend credit to families for purchase of meals or a la carte food items. Remember: Your lunch account is a debit system. Money must be in the office no later than 10:00 a.m. Please allow one (1) day for processing of money into your lunch account. On-line payment options are available.

When a student reaches a -\$10.00 balance in their lunch account (or -\$2.00 reduced meals), the student will no longer be allowed to charge. A peanut butter sandwich and milk will be served. Students in the middle and high school will not be allowed to charge a la carte items once they reach a negative balance in their account. Parents can view student lunch accounts on Infinite Campus.

Prices for the 2017-2018 school year are as follows:

	Senior High	Middle School	Elementary
Lunch Price/Reduced Price	\$2.70/\$.40	\$2.70/\$.40	\$2.60/\$.40
Adult/Faculty Lunch Price	\$3.60	\$3.60	\$3.60
Breakfast Price/Reduced Price	\$1.90/\$.30	\$1.90/\$.30	\$1.90/\$.30
Adult Breakfast Price	\$2.45	\$2.45	\$2.45
Milk	\$.50	\$.50	\$.50

Lunch Lines

Welcome back to school breakfast and lunch. We will be grilling hot dogs again this year. Elementary and Middle School will take place on Wednesday. High School will be on Thursday. I hope everyone will join us for lunch.

There will not be any changes to the foods we are able to serve as there has been in the past few years. The regulations for lower sodium levels that were to go into effect on July 1 have been put on hold for now. That does not mean students will see salt shakers back on the tables. It means the foods we are now serving will not have to be reformulated to reduce their sodium content.

I would like to urge everyone to fill out the Free or Reduced Meal application form even if you do not think you will qualify. Our schools are eligible for many grants and other programs if at least 50% or more of the enrolled students receive free or reduced meals. Because the middle school had 52% free or reduced meals, they have qualified for the Fresh Fruit and Vegetable grant. This does not mean we will receive the grant, but we qualified! This is all based on the percentage of free and reduced meals. The higher your percentage, the more likely you will receive the grant. Let's try to increase our percentage and chances of qualifying for grants by filling out the form. Thank you for taking the time to apply.

The High School cafeteria will have a slightly new look and name. The Leadership class thought of The Prairie. What an appropriate name. The new look will take place during the year by our art students.

Come eat breakfast and lunch with us this year. We would love to have you.

Lynette Weller, RD Food Service Manager

CCPS FAMILY ACCOUNT USAGE FORM

The Central City Public Schools Food Service Program utilizes an electronic point of sale system for meals and ala carte (non-meal) purchases. The system establishes a Family Account with all family members listed under the parent/guardian. **Expenditures from all family members are withdrawn from the same single-family account.**

Please complete the following

Parent/Guardian Name: _____

Mailing Address: _____

Family Members			
First Name	Last Name	Grade	School

How Do You Want To Use Your Account

I authorize my child(ren) to: (check all that apply)

- 1) Purchase meals only. (Purchase of milk or other extras require cash) _____
- 2) Purchase meals and ala carte items. (This allows extra purchases) _____
- 3) We qualify for free or reduced meals. I give permission for my _____ student(s) to purchase
ala carte items ONLY if money is in account.
- 4) I give permission for my student(s) to eat breakfast. _____

Attendance Matters is a program developed to help area students get the most out of their education by making it to school as much as possible. Attendance is one of the most important factors of success in school. Research shows that students who consistently attend school and arrive on time have higher academic achievement than students who miss school. Research also shows that Nebraska high school students who miss more than 10 days of school score 16%-27% lower in reading and math skills than students who miss less than 10 days. For students who miss more than 20 days, those percentages jump up to 33%-44% (this is based on NeSA scores obtained from

the Nebraska Department of Ed). Our goal is to help students uncover and address issues that may be keeping them from obtaining educational success.

For the second year, Central City Public Schools has partnered with Attendance Matters to resolve any attendance issues that may arise. Attendance Matters is committed to assisting your families in resolving attendance issues. We will work in conjunction with your child's building staff to help make sure your child is offered every resource, both school and community based, in order to help them be as successful as possible on their journey toward graduation.

Parents/Guardians;

YOU are the single greatest influence upon your children and have a major role in your child's success academically. If academic success is a top priority for you, chances are it will be a top priority for your child as well. Your participation, support, and accountability are essential for your child to be successful in their education. Attendance Matters looks forward to working with your student and your family!

--Jordanne Speer

Central Nebraska Youth Services-Attendance Matters

We are happy to introduce some new faces to our Bison family. Hannah Wegner will be joining our staff as a school psychologist. She will be able to provide specialized support to our students. Hannah brings a wealth of knowledge and enthusiasm. We are looking forward to a great year.

Elementary Staff

Central city Middle School 2017-18 SCHOOL Supply List

GRADE 5

- 3 dozen #2 lead pencils-Ticonderoga
- 2 block erasers
- 4-pack of black dry erase markers
- 1 dry-erase eraser
- 1 single subject notebook and pocket file folder of each color: red, blue, green, yellow, purple
- NO TRAPPER KEEPERS--they do not fit well in lockers
- 2 blue pens and 2 red pens only--no gel pens or pens that can be clicked or taken apart Example: Bic
- 1 pencil pouch or bag (boxes tend to break)
- 3 large paper grocery sacks
- 2 large boxes of Kleenex
- T-shirt and gym shorts for P.E.
- Tennis shoes for P.E. that can be left at school

GRADE 6

- Pencils, #2 lead
- Pens- red and blue (no metallic or light-colored gel pens)
- Pencil pouch/box
- Paper (loose leaf or spiral notebooks)
- Calculator (basic, inexpensive)
- 2 large boxes of Kleenex
- T-shirt and gym shorts for P.E.
- Tennis shoes for P.E. that can be left at school
- Optional:
 - 4-pack dry erase markers
 - Colored pencils
 - Erasers
 - Expandable file folder, trapper, or separate pocket folders

GRADE 7 & 8

- Pencils, #2 lead
- Erasers
- Pens (no metallic or light-colored gel pens)
- Colored pencils
- Highlighter
- 3-ring notebooks (3 for 7th Gr; 4 for 8th Gr)
- Notebook paper, 3-hole punched
- Ruler with centimeters and inches
- Calculator, T1-30 (optional)
- Jump or Zip Drive (1 GB, basic inexpensive)
- Pencil pouch
- Subject dividers (pack of 8)
- Journal notebook (7th Gr Lang Arts)
- Composition notebook (Math)
- 2 large boxes of Kleenex
- T-shirt and gym shorts for P.E.
- Tennis shoes for P.E. that can be left at school

FOR ALL GRADES, PLEASE NOTE:

Label supplies with your name
Send supplies on the first day of school.
No stretchy book covers. They do not fit over textbooks and cause the bindings to break. Paper grocery sacks really work the best.
To organize papers, students need some sort of folder system for all their classes (including exploratory), such as a 5-subject notebook w/pocket folders OR an accordion file.
We ask that you not bring multi-colored pens and decorative pens/pencils because they may be distracting.
Extra-large book bags and backpacks with wheels do NOT fit well in lockers or desks.
Some teachers may require and/or recommend additional school supplies after school begins.
