## A NOTE FROM THE TEACHER

Things get crazy this time of year. Remember to keep a schedule with your student. Also, please remember to clean out BEE Books and backpacks. This should be done every night.

## WHAT WE ARE LEARNING

**Reading:** Students are working at their independent level and “walk to read” everyday.

**Math:** We are now focused on time. We use analog clocks and digital clocks to tell the hour and half hour.

**Social Studies:** Students have finished the social studies where we live unit.

**Science:** Students will be starting the Plants unit.

**Language:** We are continuing story writing. We are working on complete sentences using a capital letter and an endmark every time.
