Valentine's Day!!

It would be awesome if each of our students made their own Valentine's Day Box to bring to school on Monday, February 14th! Our little cupids may also bring their individual Valentines for their class. Thank you for waiting for Monday to bring the boxes. Please see Class Dojo for student lists.

WHAT WE ARE LEARNING:

Math - We will finish up our fraction unit next week by learning about equivalent fractions and how to compare fractions.

Language Arts - We will continue to work on using dialogue, quotation marks, and correct verb tenses in sentences. We will review homonyms and subject/predicate. We will also be working on a problem centered story with dialogue.

Science - We will continue to learn about living organisms and the different physical and behavioral adaptations that help them survive within their ecosystem.

Social Studies - We will begin our next unit about Settling the Land.

February 4, 2022

Important Announcements

There will be no Read Aloud and Lego Club at the Public Library for the month of February. They will let us know when these activities resume.

Valentine's Day Party will be Monday, February 14. Please look for teacher announcements regarding treats.

Mini Bison Dance Clinic will be Feb. 24. Look for the details in your child's homework folder.
