More details will be available
closer to this date.

May 5

1:15 dismissal

May 15

Field Day

3rd GRADE NEWS

April 6, 2023

Slushy Money

We have 4 weeks of Slushy Days left. Some students are running out of money or have ran out of money. Please call the office to find out.

NSCAS Testing

We will be administering the Nebraska State tests starting in the month of April. We will be taking a Reading test on April 18 and 19 in the morning and a Math test on April 25 and 26th in the morning. Please try to avoid appointments on these dates so that students do not have to make up these tests and other missed work.

WHAT WE ARE LEARNING:

Reading - We are continuing to work on developing readers who comprehend their reading.

Math - We are reviewing for the Nebraska State Test. Homework may involve areas we are reviewing. They will know how to do the activity if it comes home.

Social Studies - We are going learning about geography - waterways, landforms, regions etc.

Science - We will begin learning about plant and animal adaptations.

Language Arts - We are busy with creative writing, poetry, and adding any other necessary skills to help us become amazing writers.
