

**4105**  
**Student Transportation in Private Vehicles**

Standing authorization shall be granted by the board to school administrators, school nurses and other student services personnel designated by the superintendent.

No employee shall transport students in private vehicles without insurance coverage in compliance with state law.

Special permission for providing student transportation may be granted in exceptional cases by the principal to other professional staff members such as coaches, music teachers and activity sponsors. Exceptional cases shall be determined by review of the number of students traveling, relative costs, safety factors and distance.

Pupils driving or riding vehicles to school shall comply with school regulations for the operation of vehicles and the parking of such vehicles on school property. Pupils shall not operate vehicles on, or in the vicinity of, school property so as to cause disruptions, or damage to, or constitute a threat to the safety of persons or property.

Students driving to school will not be allowed to drive cars during the school day unless permission is granted by the Principal.

The district will develop procedures to implement this policy.
