Paid Time Off (PTO) & Sick Bank

NEW for 2023/2024

- ▶ Per the 2023/2024 Negotiated Agreement, Each Certified Teacher will be granted ten (10) Paid Time Off (PTO) days to be used during the contract year. **PTO days may be used for personal, sick, or bereavement leave.**
- ▶ When used for personal leave, no more than three (3) consecutive days can be used without Superintendent approval.
- ▶ PTO days used for personal leave cannot be taken the first two or last two weeks of the school year, adjacent to a school break, or used during staff development/Parent-Teacher Conferences without Superintendent approval.
- ▶ After PTO days are used, teachers may use their accumulated sick days (Sick Bank) as sick leave only. – **SICK BANK days are not to be submitted until after all PTO days are used up.**
- ▶ See the Negotiated Agreement for additional information

Important Notes on PTO & Sick Bank

- ▶ PLAN AHEAD- If you are planning on taking PTO for personal reasons, especially in the spring, enter it in Web Link as soon as you know.
- ▶ If your plans change, and a PTO day that has been submitted needs to be cancelled, log in and RECALL it, then DELETE it. That way it will no longer show up on your total balance. (see page 11 for instructions)
- ▶ **Once you have used all 10 PTO days in any given year, Web Link will not allow you to submit any more – this includes unsubmitted and recalled leave requests, so please make sure you're deleting them if you no longer need to use them (not just recalling them).**
- ▶ After PTO days have been exhausted, accumulated Sick Bank days can be used for illness/medical appointments for yourself or immediate family members.
- ▶ Unused PTO days will be applied to the Teacher's Sick Bank days at the end of the school year. **Once the Teacher's Sick Bank accumulates to the maximum of 50 days, any accrued but unused days will be bought back by the District at a rate of 50% of the current substitute rate.** Payment for this will be in June following the conclusion of the school year.

Leave Requests in Web Link

Overview

- ▶ Certified Staff need to submit ALL leave requests via their Web Link account.
- ▶ Always communicate with your administrator personally when you are requesting leave! Requesting leave in Web Link is not to be considered in lieu of personal contact with your administrator.
- ▶ After a teacher submits a leave request, the Principal and Office staff will receive an email requesting approval. Administrator requests will go to the Superintendent.
- ▶ Shared staff- If a teacher works in 2 different buildings, the leave will be sent to administrators and office staff at both buildings.
- ▶ Activity Leave- Activity requests will go to the Activities Director and office staff in your building.

Calculating the number of leave units for all leave EXCEPT 'Coverage':

Leave Units for all leaves EXCEPT Coverage	
Elementary	Middle/High Schools
1 hour = .125 of a Unit (day)	1 period = .125 of a Unit
2 hours = .25 of a Unit	2 periods = .25 of a Unit
3 hours = .375 of a Unit	3 periods = .375 of a Unit
4 hours = .50 of a Unit	4 periods = .50 of a Unit
5 hours = .625 of a Unit	5 periods = .625 of a Unit
6 hours = .75 of a Unit	6 periods = .75 of a Unit
7 hours = .875 of a Unit	7 periods = .875 of a Unit
8 hours = 1.00 Unit (Full day)	8 periods = 1.00 Unit (Full day)

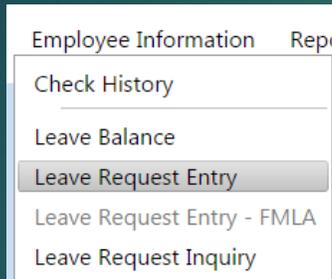

- Round up! Any portion of an hour is considered a full hour. Please do not try to calculate to the minute.
- The number of leave units for Coverage is ALWAYS 1.00, every time!

Coverage!

- ▶ Coverage was created as a way to allow teachers to be able to be absent for short times, up to 2 hours, without being required to use their accrued leave balances.
 - ▶ Teachers are allowed to use Coverage up to 4 times per year, and each time Coverage is used, it is 1.00 full unit. Every time!
 - ▶ If you require a paid substitute, for example if you ask the office staff to find a substitute for you, you cannot use Coverage
 - ▶ If you have another teacher cover your class during your absence, in order for Coverage to be used, that teacher will not receive the additional pay for that period

Recalling and Deleting a Leave Request

If necessary, you may recall a leave request before it has been approved. You can then either delete it or make changes and re-submit. Please note that if it is not deleted, it will show up under 'unsubmitted absence' and be deducted from your total balance. Please delete your requests if you will not be using them.

To recall a leave request:

- Go to 'Leave Request Entry' under 'Employee Information', then click on the binoculars next to the 'Leave ID' field, then select the leave request you want to recall and click on 'Recall' at the bottom of the page.
- Delete the request after recalling it, so it does not show up as a pending request and deduct from your leave balance

To delete a leave request:

- Go to 'Leave Request Entry' under 'Employee Information', then click on the binoculars next to the 'Leave ID' field, then select the leave request you want to delete and click on 'Delete' (red circle with an X in it) at the bottom of the page.
