A NOTE FROM THE TEACHER

Continue to focus on being kind, respectful and responsible. It is the time of year when things get hard and we often see students struggle. Keep a positive mindset and give good reminders!

WHAT WE ARE LEARNING

Reading: Students are working at their independent level and “walk to read” everyday.

Math: We are now working on graphs and time. We use data on bar graphs and tally charts.

Social Studies: We have finished Social Studies for third quarter.

Science: Students have been working on Light & Shadows. We are using different kinds of light to show how we make shadows.

Language: We have started root words. Students are adding a suffix or a prefix to words.

UPCOMING EVENTS
