Field Trip

Next Wednesday, May 1, is our field trip to the Lincoln Zoo. Parents chaperoning and riding the bus have already been contacted. Please keep these things in mind for the field trip:

1. Wear tennis shoes - lots of playing and walking
2. Put on sunscreen before coming to school.
3. If you did not sign up to get a school lunch, please be sure to bring one.
4. Bring a water bottle.
5. The bus will leave promptly at 8:15, please be on time to school.
6. Wear Bison Green or gear, if you have it!

Reading - Next week, we will begin our final unit in our Wonders Reading program. The unit will cover various types of poems and stories that make you want to laugh. We will look at skills related rhythm, rhyme, character perspective, and problem/solution.

Language Arts - We will continue to learn about parts of speech including adjectives, adverbs, and articles.

Math - We will continue learning further Geometry concepts and begin reviewing/preparing students for fourth grade.

Science/Social Studies - In Science we will be learning what weather is, different ways to describe it and how weather can be both a friend and a foe! In Social Studies, we will be learning about saving/spending and how to create a budget based on our wants or our needs.
