

September

3rd Grade Newsletter!

What We Are Learning

Math- This month we will be working on addition and subtraction skills.

Reading - We will be reading a realistic fiction selection followed by an expository text. With that, we learn synonyms and antonyms, context clues, and compare and contrast.

Grammar/Spelling- In grammar, we will continue to learn about different types of sentences and what makes them a complete sentence including a subject and a predicate.

In spelling, we will focus on long vowel sounds and the different spelling patterns for each of these sounds.

Social Studies- Students will be learning about what makes communities special. We will also be talking about different cultures and celebrations.

Upcoming Events

September 4th, 1:15 Dismissal

September 7th- NO SCHOOL

September 10th- Picture Retakes

September 18th- Grandparent's Day
(2pm)
