December 15

A.R. Christmas Store

December 19

Christmas Program 7:30

December 21

1:15 dismissal

December 22 - January 8

No School - Winter Break

COATS, HATS, GLOVES

Please make sure your child has appropriate clothing for recess. On days when we dismiss at 1:15, we will have recess at 10:00 so these will be especially important on these days.

WINTER COATS must be worn when the feels like temperature is below 40 degrees. If it is between 40 and 60 degrees, students may wear jackets or heavier sweatshirts. If a child does not have appropriate attire to wear, they will need to stay inside for the duration of the recess.

Reading - Next week, we will continue reading a variety of folk tales, discussing the theme of these folk tales, character perspective, synonyms, and problem/solution.

Lang. Arts - Next week, we will continue learning about different verb tenses including past, present, and future tenses. We will focus on how the spelling rules for these tenses.

Math: We will be wrapping up our unit on area over the next few weeks. We have some fun activities planned. It is important that your child continue to practice their multiplication facts through winter break. Upon our return, we will be focusing on division. The better they know their multiplication facts, the easier division will be!

Science/Social St. - We will continue to learn about the life cycles of plants and animals. In Social Studies, we will be focusing on geography and civics skills.
