WHAT'S HAPPENING IN...

READING: We will continue in our Reading Mastery program. We will continue utilizing the Heggerty Phonemic Awareness Program during our Reading Intervention Time. Reminder: Your child may bring home papers that can be practiced at home and then sent back. During PTC, green sight word flash cards and a blue idea sheet was sent home. These are another great tool to use at home!

SCIENCE: We will be completing some fun fall/Thanksgiving themed activities and art projects (shape turkeys and making patterns on a turkey hat).

MATH: We will continue Unit 4:
Lesson 2: Sort Objects into Groups
Lesson 3: Count Objects into Groups

HANDWRITING: We will be focusing correctly forming letters through some "I am thankful for..." and a Weekly Reader "Thankful for things we love" activities.

SOCIAL STUDIES: We have finished our "Flags and Other Symbols" Unit!

PBIS Focus: We will talk about rules, procedures, and expectations about being in school.

One Act: We are excited to have the High School's One Act performance of "Finding Nemo" brought over to the Elementary! We will get to see this production on Tuesday morning in our gym! This for the students only! 😊
